

## 3050 Nano rain repellent longlife

<b>Description</b>	Extra durable Nano rain repellent provides clear view and safe driving even at night and rain. Ideal for professional use for all vehicle windows like windscreens, side and rear windows. We recommend pretreatment with 3097 Basic Cleaner 3000 to further increase the durability. 20 ml are sufficient for 1 vehicle.
<b>Advantages</b>	Particularly resistant and durable - streak-free clear view even at night and rain - gentle cleaning of insects, ice and bird droppings - very water resistant
<b>Application fields</b>	Auto repair shops
<b>Application</b>	1. Pour the product sparingly onto a cloth and apply in sections in circular motions. 2. Polish with a clean dry cloth in circular movements. Note: Do not apply on hot surfaces and let dry for at least 1 hour.

### Technical data
