

TECHNICAL DATA SHEET

3050 Nano rain repellent longlife

Description	Extra durable Nano rain repellent provides clear view and safe driving even at night and rain. Ideal for professional use for all vehicle windows like windscreens, side and rear windows. We recommend pretreatment with 3097 Basic Cleaner 3000 to further increase the durability. 20 ml are sufficient for 1 vehicle.
Advantages	Particularly resistant and durable - streak-free clear view even at night and rain - gentle cleaning of insects, ice and bird droppings - very water resistant
Application fields	Auto repair shops
Application	1. Pour the product sparingly onto a cloth and apply in sections in circular motions. 2. Polish with a clean dry cloth in circular movements. Note: Do not apply on hot surfaces and let dry for at least 1 hour.
