

3215 Paint sealing Spray 400 ml

Description	Extra durable and universal paint sealing for paint surfaces and aluminum, chrome and alloy wheels with especially long-lasting beading effect. The product protects effectively against weathering, UV rays and against dirt deposits. Quick and easy to use. The product is suitable for new, refurbished and used vehicle paintwork surfaces, aluminum, chrome, light metal rims and smooth, non-absorbent surfaces.
Advantages	Creates a permanently good beading effect - protects sealed surfaces from weathering and UV rays - reduces brake dust build-up on rims - increases the color brilliance
Application fields	Auto repair shops
Application	1. Shake the can before use. 2. Spray sparingly onto the surface to be protected. 3. Wipe with a clean, dry cloth.
