
TECHNICAL DATA SHEET

4715 Power rust dissolver Spray 250 ml

Product description	Power Rust Remover mineral oil free is ideal for loosening and cleaning rusted connections and surfaces. The new KENA®-technology penetrates deeply, encrustations are fractured and released. The concentrate formula allows for long penetrating action over several hours. Very economical and free of mineral oil.
Advantages	Unique active formula - Economical in use - Dissolves rust and encrustations - Environmentally friendly
Application fields	auto repair shops, metalworking, Household
Application	1. Spray onto rusted connections / surfaces. 2. Depending on the degree of rust, allow to act up for 24 h. Work in with a brush or a towel. 3. Rinse with water or wipe off. 4. If necessary, repeat. Note: May cause discoloration on surfaces or dissolve plastics. Check the suitability prior to use.
