

## 5290 AC Cleaner activeSilver

### Product description

Thanks to the new KENA®bionics formula AC Cleaner activeSilver reduces unpleasant odors caused by bacteria in air ducts of air conditioners and in vehicle interiors. Antimicrobial silver ions prevent the renewed formation of unpleasant odors effectively.

### Advantages

- Desinfection with antibacterial silver ions
- Provides a long-lasting fresh fragrance
- Simple application
- Convenient one-shot spray

### Application fields

Vehicle air conditioners and interiors

### Application

1. Shake well before using.
2. Switch off the air conditioner, select interior ventilation at maximum level and cold temperature
3. Position aerosol can centrally in vehicle interior and activate spray head. Keep the doors closed.
4. Ventilate the vehicle well after use (about 10 minutes).

Note: Remove excessive substance with a damp cloth. No persons are allowed inside the vehicle during application. All electrical devices must be switched off during application. Avoid ignition sources. Ventilate the vehicle well for several minutes after use. Do not smoke inside the vehicle straight after application. Use only one can per application.

### Technical Data

Property	Value
Chemical basis	Aqueous alcohol solution with Silver ions
Dosage	1 can per vehicle / application
Biocide reg. no.	N-61516 (citrus); N-73329 (citrus AF); N-67071 (cocos); N-75297 (peach); N-75297 (fresh laundry)
Vehicle temp.	10-25°C
Storage stability	24 months
Recommended storage	5°C - 25°C

Find comprehensive advice on health, safety, and environmental protection in the corresponding safety data sheets.

### Information for distributors on biocidal Regulation

Biocidal products should be advertised with the following note: "Use biocides safely. Before use, always read the label and product information." Note: In packaging of biocidal products, this notice is not required! In these sentences, the word 'biocides' may be replaced by the advertised product. Advertisements for biocidal products may not be presented in a manner that is misleading concerning risks or effectiveness. We recommend to use these required phrases with every type of advertisement.
