
TECHNICAL DATA SHEET

5290 AC Cleaner activeSilver 100 ml

Varieties:	Cocos, peach, laundry, citrus, citrus AF
Product description	Thanks to the new KENA@bionics formula AC Cleaner activeSilver reduces unpleasant odors caused by bacteria in air ducts of air conditioners and in vehicle interiors. Antimicrobial silver ions prevent the renewed formation of unpleasant odors effectively.
Advantages	Desinfection with antibacterial silver ions - Provides a long-lasting fresh fragrance - Simple application - Convenient one-shot spray
Application fields	auto repair shops, Household
Application	1. Shake can well before using. 2. Switch off the air conditioner, switch on the ventilation mode, keep ventilation at maximum and select cold temperature level. Position can centrally in vehicle interior (not in intake area of air conditioning system) and activate spray head. 3. Keep doors closed during use (about 3 minutes). 4. Ventilate the vehicle well after use. Remarks: Remove excessive substance with damp cloth. No persons are allowed inside the vehicle during application. All electrical devices have to be switched off during application. Avoid ignition sources. Ventilate vehicle for several minutes before getting in. Do not smoke in the vehicle immediately after application. Only use one can per application.
