

# TECHNICAL DATA SHEET

## 5291 AC Cleaner activeSilver plus 100 ml

<b>Description</b>	With the proven KENAbionics® formula, the A/C cleaner reliably combats unpleasant odors caused by nicotine and bacteria in the ventilation ducts of the air conditioning system and the vehicle interior. Antibacterial silver ions prevent bacterial infestation. The novel odor absorber is activated by bacterial enzymes. With the 2-in-1 principle of action, it binds malodors and at the same time releases a pleasant citrus scent. The depot effect ensures long-lasting freshness. The application with the One Shot actuator is easy: place in car, spray, ventilate, done. Note: Use biocidal products carefully. Always read the label and product information before use.
<b>Advantages</b>	Antibacterial effect by silver ions - 2in1: odor binding + fragrance depot - easy application
<b>Application fields</b>	Auto repair shops, household
<b>Application</b>	1. Shake can well before using. 2. Switch off the air conditioner, switch on the ventilation mode, keep ventilation at maximum and select cold temperature level. Position can centrally in vehicle interior (not in intake area of air conditioning system) and activate spray head. 3. Keep doors closed during use. 4. Ventilate the vehicle well after use (10 minutes). Note: Remove excessive substance with damp cloth. No persons are allowed inside the vehicle during application (about 3 minutes). All electrical devices have to be switched off during application. Avoid ignition sources. Ventilate vehicle for several minutes before getting in. Do not smoke in the vehicle immediately after application. Only use one can per application.

### Technical data

<b>Chemical base</b>	Silver solution, odor absorber
<b>Colour</b>	Transparent
<b>Density</b>	0,77 g/ml (20°C)
<b>Fragrance</b>	lemon
<b>pH-value</b>	7
<b>Consumption</b>	1 can / vehicle
<b>Propellant</b>	Dimethylether
<b>Application temperature</b>	10°C - 25°C
<b>Storage temperature</b>	5°C - 25°C
<b>Shelf life</b>	24 months
<b>Packaging</b>	100 ml aerosol
<b>Product variants</b>	A529110001 100 ml citrus A529110002 100 ml citrus AF
